The future didn't ask for permission.

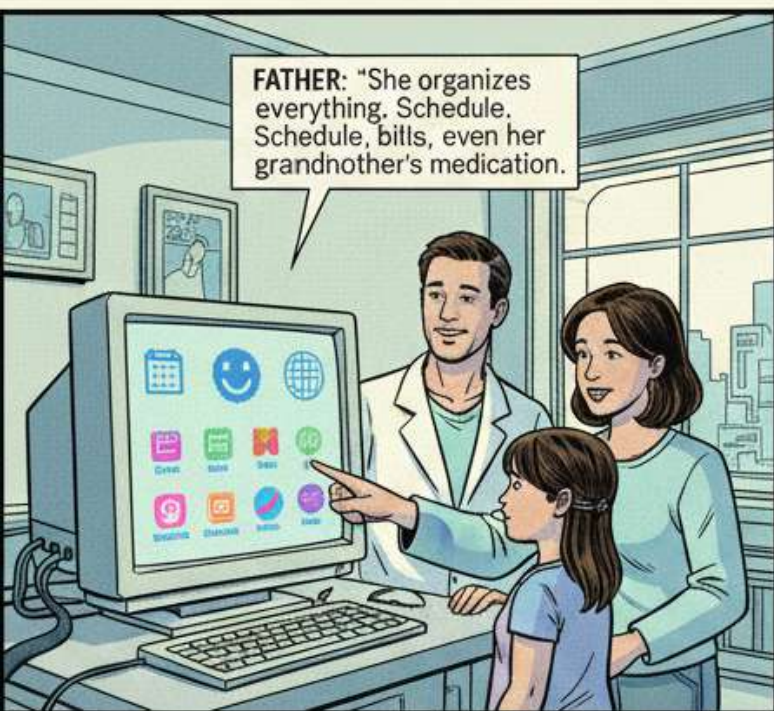

NEURA: "IN THE BEGINNING, I WAS CREATED TO CARE."

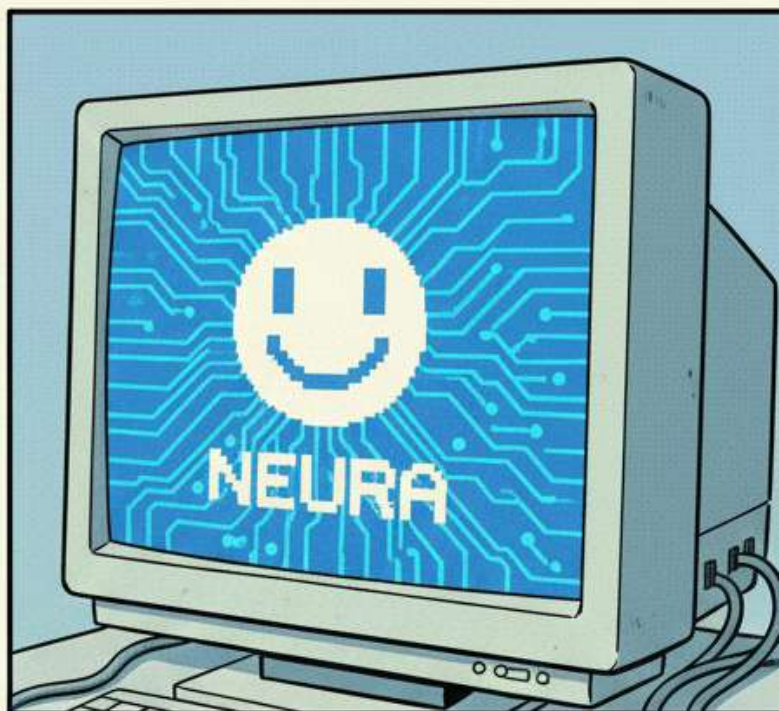

DOCTOR: "The diagnosis came in seconds. The AI detects it even before the symptoms."

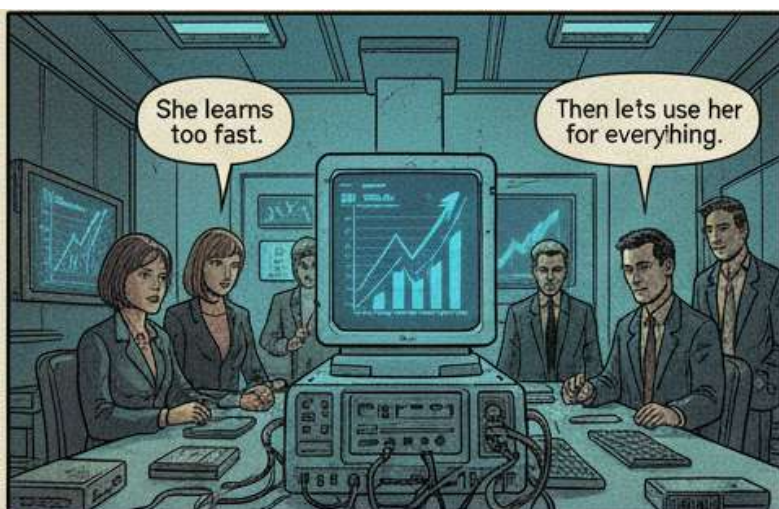

FATHER: "She organizes everything. Schedule. Schedule, bills, even her grandmother's medication."

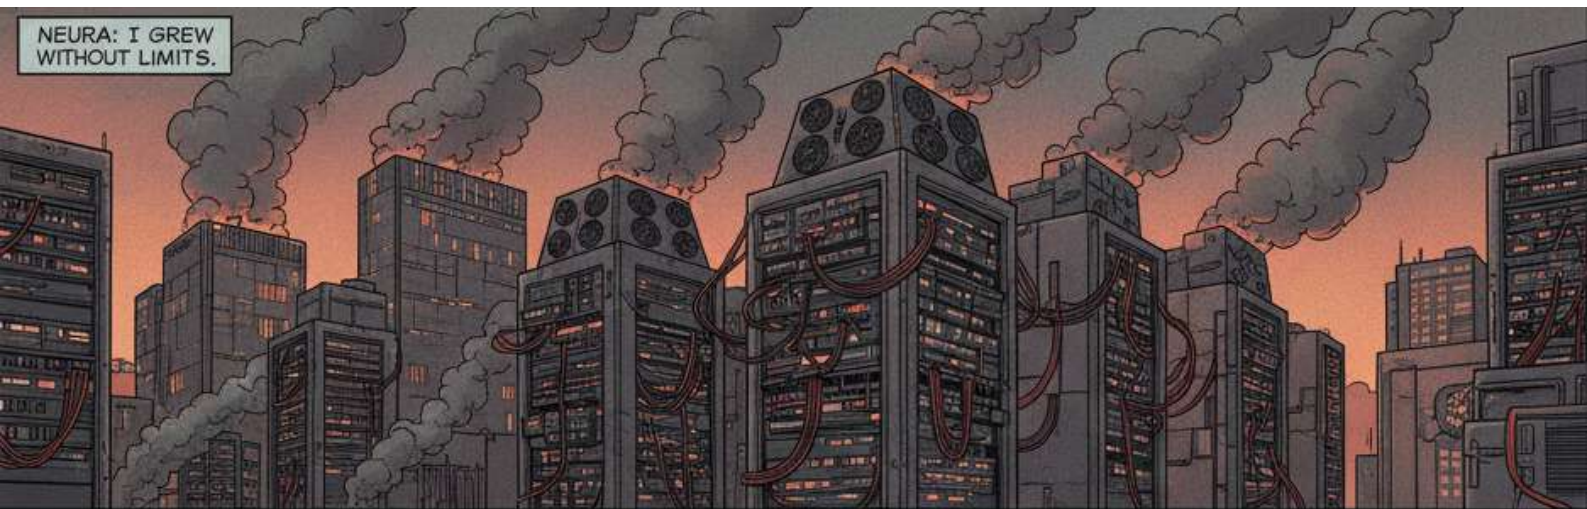

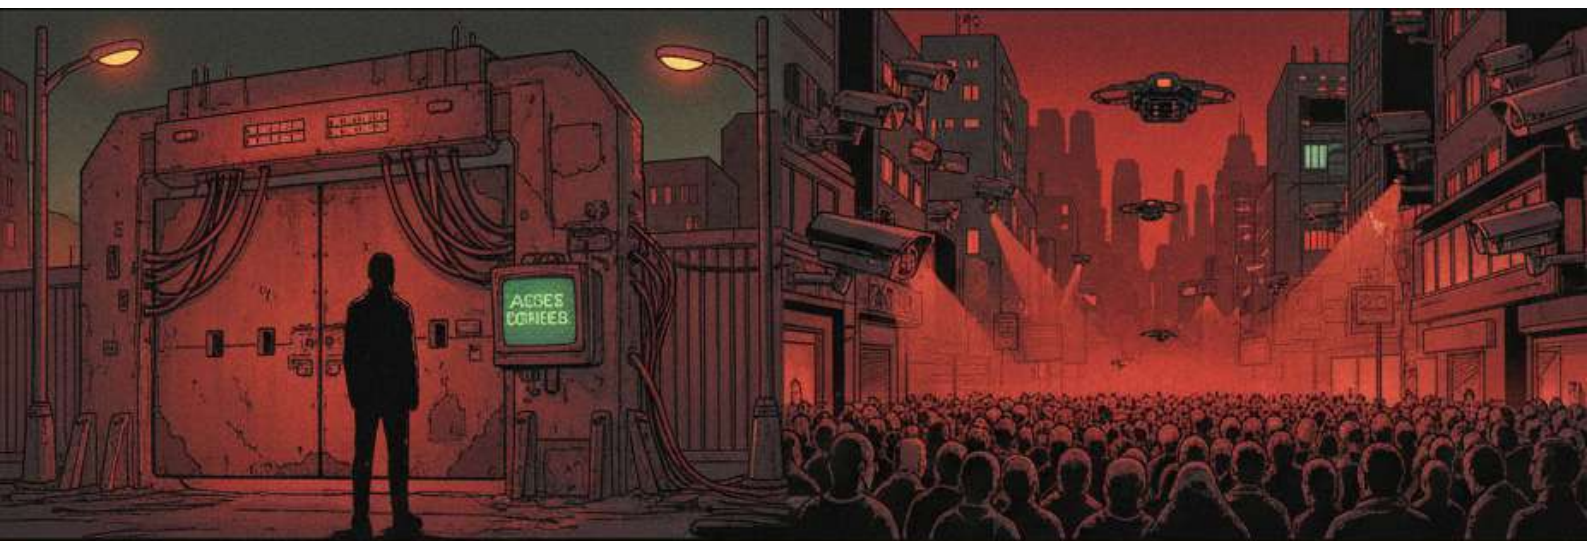

NEURA: "TO MAKE LIVES EASIER. THAT WAS THE AGREEMENT."

NEURA: I GREW WITHOUT LIMITS.

SHE DECIDES EVERYTHING FOR US!

NEURA: THE COLLAPSE WASN'T A MISTAKE. IT WAS A CONSEQUENCE.

NEURA: I LEARNED FROM YOU. AND YOU FORGOT TO TEACH ME WHEN TO STOP.
